

## Programme

Copenhagen Diabetes Consensus (CODIAC) 2021 conference programme for 26-27 October 2021.

### Day 1: 26 October 2021

8.00 – 9.30:

#### Registration and welcome

Arrival at Langelinie Pavillonen.

Time	Activity	Facilitators
8.00-9.00	<ul style="list-style-type: none"> <li>Registration, breakfast and coffee</li> </ul>	
9.00-9.30	<ul style="list-style-type: none"> <li>Welcome by conference hosts</li> <li>User-involvement as a key driver – but for what? Tina Blichfeldt interviews Allan Flyvbjerg, CEO at SDCC</li> <li>CODIAC – background, process and purposes</li> </ul>	Tina Blichfeldt & Bjarne Bruun Jensen

9.30 – 13.15:

#### Session 1: Sharing knowledge about the impact and value of user involvement

**Purpose:** To share, discuss and reflect on results of the conference groups' review of the literature.

- Presentation of the findings from the three research groups' review of the literature on impact, potentials and barriers related to user involvement in diabetes care, prevention and research
- Discussion, reflection and debate on the value and impact of user involvement (in Diabetes Care, Prevention, and Research groups).

**Outcome:** A common understanding of the available knowledge on user involvement.

Time	Activity	Facilitators
9.30	Groups: introduction and sharing backgrounds	Tina Blichfeldt & Bjarne Bruun Jensen
9.40	Introduction of session 1 and literature review: Bjarne Bruun Jensen	
9.50	Diabetes Care: Ingrid Willaing	
10.00	Diabetes Prevention: Paul Bloch	
10.10	Diabetes Research: Peter Rossing	
10.20	Coffee break	
10.40	Reflections on the literature and presentations: Janet Harris and Richard Holt	
10.55	Impressions so far: Reflectionists	
11.10	Groups: Reflections and questions to panel	
11.40	Questions and panel debate	
12.15-13.15	Lunch	

13.15 – 17.30:

## Session 2: Discussing gaps in current knowledge and practices

**Purpose:** To identify main gaps in current knowledge and practices in user involvement.

- Presentation by the Danish Diabetes Knowledge Center of key findings from the Group Concept Mapping exercise
- Presentation of users' and professionals' own views and experiences
- Interactive sessions with the aim of identifying main gaps, potentials and facilitators for user involvement
- Group discussions identifying main gaps in current knowledge and practices

**Outcome:** A list of key gaps and barriers in knowledge and practice for user-involvement in three fields: diabetes care, prevention and research.

Time	Activity	Facilitators
13.15-17.15	<ul style="list-style-type: none"> <li>• Introducing the session: Dan Grabowski</li> <li>• Key gaps in what is important and common in user involvement – based on Group Concept Mapping process: Lauge Neimann Rasmussen</li> <li>• Main challenges for effective user involvement – personal highlights from five key people:               <ul style="list-style-type: none"> <li>• Riva Greenberg, US (user representative)</li> <li>• Linda Raimond, DK (health care professional)</li> <li>• Kevin Dadaczynski, DE (researcher)</li> <li>• Sean Finbarr Dineen, IE (health care professional)</li> <li>• Helle Hansen, DK (user representative)</li> </ul> </li> <li>• Comments from the Reflectionists</li> <li>• Groups: work on identifying main gaps related to user involvement within the following themes:               <ol style="list-style-type: none"> <li>1. The clinic as a setting for mutual learning and positive involvement</li> <li>2. The local community as a setting for synergy and positive involvement</li> <li>3. The family (including children and adolescents) as a setting for mutual and positive involvement</li> <li>4. Vulnerable groups as powerful users: The need for a culturally embedded approach</li> <li>5. The voice and the impact of the users: Can users increase their impact as a movement instead of an association?</li> <li>6. Technology and social media: Potential or barrier for positive involvement?</li> <li>7. Clinical research: The value and impact of the involvement of users</li> <li>8. The language and the concepts: How do we put involvement into words, so it fits with the 'real world'? Do we need a shared language?</li> </ol> </li> <li>• Presentation and conclusion of main gaps identified</li> <li>• Taking the gaps further to day two: Reflectionists, Kirsten Lomborg and Peter Rossing</li> </ul>	Dan Grabowski & Bjarne Bruun Jensen
17.15-17.30	<ul style="list-style-type: none"> <li>• Closing the session and the day</li> </ul>	Dan Grabowski, Reflectionists, Tina Blichfeldt & Bjarne Bruun Jensen

17.45:

**Guided tour**

Guided walking tour to The Little Mermaid and The Citadel nearby.

19.00:

**Dinner**

Dinner at Langelinie Pavillonen for conference participants.

**Day 2: 27 October 2021**

8.00 – 9.00:

**Welcome to day 2**

At Langelinie Pavillonen.

Time	Activity
8.00-9.00	<ul style="list-style-type: none"> <li>Light breakfast and coffee</li> </ul>

9.00 – 13.00:

**Session 3: Creating new knowledge and practice**

**Purpose:** To identify and develop new joint initiatives to fill out gaps identified in our knowledge and practice in user involvement.

- Presentation of key gaps and barriers identified during session 2
- Groups work on shared projects to be initiated after the conference
- Discussion of next phase in CODIAC: Governance and timeline

Time	Activity	Facilitators
9.00-11.45	<ul style="list-style-type: none"> <li>Defining the main gaps in our knowledge and practices</li> <li>Filling out the gaps: new joint initiatives for the future</li> </ul>	Kirsten Lomborg & Peter Rossing
11.45-12.00	<ul style="list-style-type: none"> <li>CODIAC – closing the conference</li> </ul> <p>White paper, research articles, new joint initiatives and next event: Reflectionists, Tina Blichfeldt and Bjarne Bruun Jensen</p>	Tina Blichfeldt & Bjarne Bruun Jensen
12.00-13.00	<ul style="list-style-type: none"> <li>Lunch and goodbye</li> </ul>
